CASE NO. CV-08-4229-VRW

**STIPULATION EXTENDING
TIME TO HOLD JOINT SITE
INSPECTION; ~~PROPOSED~~ ORDER**

*(Related Case: D'Lil v. Speedway
Motorsports, Inc., et al., Case No. 08-
cv-04691)*

Plaintiff, RICHARD SKAFF and defendants, SPEEDWAY SONOMA, LLC,
COMPASS GROUP USA, INC., and MOTORSPORTS AUTHENTICS, LLC, by and
through their respective counsel, hereby jointly stipulate and request that the Court grant
continuances of certain deadlines set out in this Court's Scheduling Order for Cases
Asserting Denial of Right of Access under Americans with Disabilities Act Title III,
filed on September 8, 2008, based on the good cause shown below.¹

¹ Speedway Motorsports, Inc. and International Speedway, Inc. were dismissed from this action on November 13, 2008.

1 1. Plaintiff filed his action alleging barriers to access at Infineon Raceway, a 1,600-
2 acre facility in Sonoma, California, and seeking modifications to the facility and its services, as
3 well as damages, attorney's fees and costs.

4 2. The Court's September 8, 2008, Scheduling Order requires a joint site
5 inspection take place by December 17, 2008.

6 3. The parties have worked together cooperatively, but given the size and scope of
7 a joint inspection of this facility, and the coordinating of the schedules of all parties and
8 counsel who need to be present at the inspection, the parties require additional time to conduct
9 the joint inspection. Multiple days will be required to inspect a facility of this size and
10 complexity.

11 4. Additionally, not all the defendants have appeared in the action. Plaintiff is
12 currently in the process of dismissing some defendants and substituting others. This is
13 expected to be done by stipulation in the coming weeks.

14 5. The defendants in the above-captioned case will be identical to those named in
15 the related case of *D'Lil v. Speedway Motorsports, Inc.* (Case No. 08-cv-04691).

16 6. To ensure all defendants have an opportunity to be made aware of the joint site
17 inspection and to be present at the joint site inspection, and to allow plaintiff to name and serve
18 the proper defendants, the parties jointly request that the Court amend its Scheduling
19 Orders in the above-cited matter and related case to allow the parties additional time
20 within which to conduct the joint site inspections.

21 7. The parties have not previously requested any amendments to the
22 Scheduling Order.

23 NOW, THEREFORE, the parties stipulate and request that the Court amend its
24 Scheduling Order so the last day to hold the joint inspection will be Friday,
25 February, 20, 2009. The parties further stipulate that all dates based on when the joint
26 inspection is held are amended accordingly.
